July 21st, 2014

Dear Sir/Madam,

On behalf of Ministry of Science and Technology of Taiwan – representative as Science and Technology Division, Taipei Economic and Cultural Office in Vietnam, I have the honor to extend my best wish to you and your colleagues.

In order to further promote the cooperation in science and technology as well as to come to a closer tie between Taiwan and other countries in South East Asia Region, National Science Council, Taiwan will hold **2014 Environmental Protection and Green Technology on November 09-17, 2014** at **National Tsing Hua University, Hsinchu 30013, Taiwan.**

It is my earnest hope that the course would be a good opportunity for scientists or senior administrators of your organization to joint this training program and to explore the opportunities of science and technology cooperation among the countries.

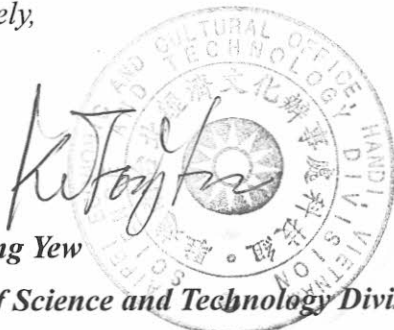

It would be highly appreciated if you could recommend excellent participants in this field, please include his/her **Application form** (as file attached), **Recommendation letter and CV**. These documents must be written in English and sent to our office via email viet01@most.gov.tw by **August 25th, 2014** or can be applied online by **August 31st, 2014** for evaluation. *The priority wise, applicants who are recommended by "Science Division, Representative office of ROC" will be permitted first.*

The selected eligibility candidates will be fully sponsored of traveling and living expenses during the program period.

Recruiting information and more details about this workshop, please see at the link <http://my.nthu.edu.tw/~chem/gmlab/2014EPGT/2014EPGT/2014EPGT%20home.htm>.

Your favorable consideration will be greatly welcome. Looking forward to hearing from you soon.

Yours Sincerely,

Mr. Kuo Fong Yew

Counselor of Science and Technology Division

Taipei Economic and Cultural Office in Vietnam
